PROFESSIONAL SUMMARY

Highly motivated, results-driven and detail-oriented operations professional with extensive experience across logistics, warehousing, procurement, vendor management, process improvement and team leadership, who is passionate about delivering excellence and adding value to every organisation I have had the privilege of working with over my career.

EXPERIENCE

Operations Manager, Pelican Logistics · 2021 – present

- Responsible for overseeing day-to-day warehouse operations including receiving, put-away, picking, packing and dispatch, ensuring that all activities are carried out in accordance with standard operating procedures and company policies at all times.
- Worked closely with internal stakeholders including sales, finance, customer service and procurement teams to coordinate activities and resolve issues as and when they arose in a timely and professional manner.
- Managed and supervised a team of warehouse staff, providing guidance, coaching, on-the-job training and performance feedback to ensure that the team was motivated and performing to the best of their abilities.
- Prepared and submitted daily, weekly and monthly operational reports to management, highlighting key issues, trends and recommendations for improvement where applicable and appropriate.
- Liaised with external vendors, transporters and service providers to negotiate rates, monitor service levels and address any concerns or complaints raised by customers or internal teams.
- Participated in process improvement initiatives and cross-functional projects aimed at improving productivity, efficiency, accuracy and safety across the operations department.

Assistant Operations Manager, Pelican Logistics · 2018 – 2021
